Dear Kushi,

After careful consideration the management of Pacific Resources Psychological Group has decided to terminate our Med-cal Professional Services Agreement with the County of Los Angeles effective June 30, 2010.

We have notified all our patients, by letter, of our decision and have provided them a referral list to help them make an orderly transition to a new provider. When requested, we have taken a "hands on" approach to insure our patients are adequately cared for.

For eighteen years I have always believed the doctors at PRPG have provided the highest level of care and professionalism to our Medi-cal clients.

I also want to thank the personnel at DMH for helping us time and again thru the years. Their help and assistance was invaluable.
